

WILMS infrared oil heater VAL 6 GAS (version with natural gas or LPG burner)

low-noise and dust-free

Product number: 1853020

Top features

- Spot heating
- Comfortable warmth in the working zone
- Drying materials
- Horizontally and vertically alignable
- Heat transfer without air movement and dust turbulence

All special features at a glance

- Heat transfer without air movement
- no dust turbulence

Technical details

Heating capacity	40 kw
Liquid gas fuel consumption	1,55 m ³ /h
Fuel consumption natural gas L	4,30 m ³ /h
Fuel consumption natural gas H	4,00 m ³ /h
Fuel consumption town gas	8,95 m ³ /h
Supply voltage	230 / 50 V/Hz
Dimensions	1200 x 620 x 930 mm
Weight	53 kg
Noise emission	69 dB
