

WILMS Electric heater with axial fan EL 22

Powerful three-phase heater for continuous operation

Product number: 2800022

Top features

- mobile
- stable
- very quiet
- three heat settings
- with rollers

Technical details

Heating capacity	9,0 / 13,5 / 18,0 kW
Air performance	1520 m³/h
Supply voltage	400 / 50 V/Hz
Dimensions (L x W x H)	470 x 410 x 580 mm
Noise level	67 dB(A)
Weight	32 kg
Protection class	IP 44
Fan	runs permanently from lev
Electrical connection	5-pin CEE plug 32 A
Discharge nozzle diameter	300 mm
Length of supply cable	2,2 m

Scope of supply

3 heat settings, Carrying handle, with rollers
